This list covers wholesale dealers in apples, other domestic fruits, potatoes, onions and other domestic vegetables, the commodities handled being indicated in each case as follows:—

KEY

A	Apples
O.F	Other Domestic Fruits
P	Potatoes
0	Onions
O.V	Other Domestic Vegetables

In this edition a division has been made showing firms dealing in carloads at marketing centres or distributing points, and those handling ten carloads or more per year at producing points. In the distributing section firms doing a purely brokerage business are indicated by an asterisk.

The Department assumes no responsibility as to the financial standing of any firm mentioned. The list has been made up from the information in our possession, but the Department will be glad to have its attention drawn to any errors or omissions in order that corrections may be made in future editions.
